

Measurable Impact

Mason County collected 26,716 lbs of hazardous waste in 2021!

Electronics:	7,359 lbs
Oil/Auto Fluids:	1,305 lbs
Oil-based Paints:	6,178 lbs
Pesticides:	1,974 lbs
Pharmaceuticals:	267 lbs
Other Hazardous Waste:	9,633 lbs

Thank you for doing your part!

Safe disposal of hazardous waste not only protects our local natural resources, but also our health.

Tips for Safe Transport of Hazardous Materials:

- ◇ Keep items in their original and labeled containers.
- ◇ Do not mix contents of unknown or unlabeled containers.
- ◇ Do not transport containers with open lids.
- ◇ Secure all containers so they cannot slide, tip or spill contents; away from passengers.
- ◇ 55 gallon drums must be removed from premises by producer.

Volunteers Appreciated

This collection is a service to the community and it takes many volunteers on the day of the event to ensure this program continues.

We are looking for dedicated participants! Volunteers are needed to collect surveys, direct traffic, unload vehicles, and sort electronics. If you would like to be involved, please contact Mason-Lake Conservation District.

Clean Sweep is made possible by a strong and unique state, federal, local, and industry partnership.

Thank you to Michigan Department of Agriculture's Clean Sweep Program, the Mason-Lake Conservation District, the Household Hazardous Waste Committee, contributions from local county government including townships, villages, and cities within the county, and personal donations.

Frequently Asked Questions

Who can use the program?

This program is available to Mason County residents only. There is a Lake County HHW cleanup event in early October that we encourage Lake County residents to participate in. Materials **will not** be accepted from businesses, except for pesticides, which are accepted from all users through the Clean Sweep Program.

Which appliances will be accepted?

Small appliances such as microwaves, small refrigerators, dehumidifiers, and window air conditioners are accepted. There is a [\\$10 fee for items containing Freon](#). We do not accept any large appliances including full-size refrigerators, stoves, and freezers.

Which electronics will be accepted?

TVs, DVD and CD players, VCRs, radios, phones, gaming systems, answering machines, fax machines, etc. Computers and computer accessories are also accepted including desktop and laptops, keyboards, modems, printers, scanners, and speakers.

Is there a limit to how much I can bring?

Pre-registration is required for **amounts exceeding 200 pounds**. Please call Mason-Lake Conservation District ahead: (231) 757-3707 ext. 5.

Can I drop off HHW before/after the event?

No. Please drop off hazardous waste at collection sites only during scheduled hours. This is an annual event held the 3rd Saturday of August each year.

Is there a fee on collection day?

Donations are crucial to help cover the \$60,000 it takes to host the event in three counties. Suggested minimum donation of \$15 is appreciated!
